**Dear Sir/Madam,**

**Subject:** Intimation Under Regulation 30 of SEBI (LODR) Regulation 2015.

In accordance with the relevant provisions of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, we are pleased to inform that Sathlokhar Synergys E&C Global Limited has successfully got below new achievement:

**PEB (Pre engineered Building) FACTORY (State of the art Facility) SET UP:**

The Company is currently establishing its new Pre Engineered Building (PEB) in a large scale manufacturing State of the art facility, marking a strategic milestone in strengthening its backward integration. The auspicious foundation stone laying ceremony has been successfully carried out today (28th January 2026) and the facility is proposed to be formally inaugurated on 30th August 2026, coinciding with the Company's Annual Day celebrations.

This facility is available for both captive consumption and external utilization. It positions Sathlokhar to enter the PEB manufacturing and sales market independently, catering to both internal project requirements and third party demand.

Over the next five years, the Company aims to scale this vertical aggressively, with a roadmap to set up 5 to 6 PEB manufacturing units across India, creating a robust nationwide manufacturing footprint. Management expects the PEB business to emerge as a significant growth driver.

This additional inhouse PEB capability is also expected to deliver fast track on time delivery, better supply chain control and reduced dependency on external vendors. Overall, this initiative strengthens operational efficiency, enhances competitiveness, and supports sustainable long term revenue and profitability growth.

We respectfully request you to note the above information in your records.

Yours faithfully.

For **Sathlokhar Synergys E&C Global Limited**

Anil Prasad Sahoo  
Company Secretary & Compliance Officer
